

SudaTonic™ USA
Infrared Systems

Sudatonic™ USA Infrared Body Wrap!

In 2005 the original Sudatonic™ Infrared System was introduced to spa professionals. Over 450 day spas, medical spas, and wellness centers across the United States, and around the world, now offer Sudatonic™ to their clients!

- Facilitates body & skin detoxification
- Facilitates and contributes to weight loss with calories burned, not just water loss
 - Increases the body's metabolism
- Alleviates fatigue and increases vitality
- Improves oxygen levels in the body and skin
- Improves skin texture, tone and elasticity
 - Boosts immune function
